
Sargonic Texts In The Ashmolean Museum Oxford

sargonic- texts from the gion - of sargonic texts from the diyala region plus in-dices of proper names and a catalogue of tablets. the next volumes will contain a general introduction to old akkadian, a discussion of old akkadian writing and grammar, and a complete old akkadian glossary the great majority of texts reproduced here in **cuneiform texts from babylonian tablets - etana** - cuneiform texts from babylonian tablets in the british museum part I pre-sargonic and sargonic economic texts by e. sollberger published by the trustees of the british museum **sargonic akkadian - harrassowitz verlag** - rebecca hasselbach sargonic akkadian a historical and comparative study of the syllabic texts 2005 harrassowitz verlag . wiesbaden isbn 3447051728 **historical perception in the sargonic literary tradition ...** - sargonic texts sargonic royal inscriptions 1. old babylonian copies of sargonic royal inscriptions 2. fake autobiographies 3. fake letters 4. legends scholarly texts regarding the sargonic dynasty: 1. a geographical treatise 2. chronographic texts 3. historical omens 1. neo-babylonian copies of sargonic inscriptions (e.g. bm 38302 and bm 78290) 2. **on the sumerian city ubme , the alleged "umma"** - bute to early sargonic nippur. however, as suggested by steinkeller, there are a number of presargonic texts in bin 8 and elsewhere that originate from isin (steinkeller and postgate 1992: 5-8). it may thus be that bin 8, 159, comes from this city as well.7 as for the date, its appearance resembles texts from "umma" dating to lugalzagesi. **a review of maiocchi, m. cornell university collections ...** - the sargonic texts in the united states.2 this corpus is being published in the cornell university studies in assyriology and sumerology (cusas) series; by now five cusas volumes with sargonic material have come out of press.3 this is the (admittedly delayed) review of cusas 13 (maiocchi 2009)4
